### **Awards**

There will be an awards ceremony for each race. See “schedule of events” for times.

The awards categories are as follows:

1 mile fun run: top overall male and female

5K, 10K, and half marathon: top overall male and female, top male and female in the following categories: elementary school, middle school, high school, 18-29, 30-39, 40-49, 50-59, 60-69, 70+

Special awards: Super Gobbler award

### **Event Photography:**

Finisher photographs will be taken by Carolina Snapshot so smile as you cross the finish line! You will be sent an email several days after the race at which point to you will have the option of purchasing finisher photos.

### **Post-Race Festivities**

Stay after the race to celebrate and have a great time with your family and friends. There will be music, a bounce house for the kids, corn hole, face painting, and fun for everyone. There is plenty of post-race refreshments for all participants including Roasted & Toasted Coffee & Waffles.

### **Gun start time vs chip time:**

The race results will contain both a gun start time (the start time of the race) and a chip time (the time from when your timing chip crosses the start mat). Times used for awards and reported to USATF are the GUN START TIMES, which is standard USATF practice. This means that competitive runners should make sure to start as close to the front as possible. Less competitive runners, walkers, and those with strollers should start at the back.

### **Headphones:**

While headphones are no longer banned in USATF sanctioned races, they are discouraged. If you choose to wear headphone, you will not be eligible for awards. Please be considerate and safe. You need to be able to hear safety officials, cars, and other participants.

### **Strollers:**

Strollers are welcome! Please be considerate if participating with a stroller by being aware of other participants and starting in the back of the group so that you will not be in the way of competitive runners.
